

Welcome Families!

Thank you for allowing Angel Care Nanny Agency to assist you in finding your nanny! We take great pride in hand picking the top professional nannies in the Las Vegas area. All of our nannies undergo an intense screening process with our agency and are accepted only by our highest standards.

How is Angel Care Nanny Agency (ACNA) different from the other agencies?

- ACNA has the highest quality applicants partly due to the educational incentives we offer, such as “Love and Logic” lectures that they can attend. (Please see neighborhood links for more information on “Love and Logic” classes offered to parents)
- ACNA also requires the nannies to have a minimum of 2 years experience. (Compared to our competitors, 1 year)
- ACNA has the highest standards in screening applicants and still maintains competitive prices.

We are recruiting and screening new nanny candidates on a constant basis from a variety of resources and we will send you the candidates that we feel are suitable for your family. All prospective nannies are subject to an intensive screening process prior to working with your family. You are then given the opportunity to choose the candidates that you feel will meet your needs.

Angel Care Nanny Agency has a unique and careful screening process for both nannies and families in order to insure a perfect match.

Our applicants undergo a rigorous background investigation including:

1. Criminal Check
2. Driving History
3. Work References
4. Sex Offender Check
5. Drug Screening
6. Personal References
7. Social Security Verification

Our applicants are required to have a minimum of **2 years experience**, must be legal to work in the United States and are first aid and CPR certified.

We are proud to be a member of the following organization:

International Nanny Associate (INA)
